

## **Apply to Exhibit**

The Burnie Regional Art Gallery has an exciting exhibition program which aims to show the best available in Australian art practice while mounting projects that involve new audiences at the community level.

The Gallery program is planned up to 18 months in advance and artists wishing to apply to exhibit must bear in mind the lead time for scheduling as well as the volume of requests we receive every year. Individual or groups of artists and organizations may apply to have an exhibition at the Gallery.

You may wish the Gallery to present your exhibition as part of its program, or apply to hire the venue. The first step is to visit the gallery, make an appointment to talk to staff and complete an [“Expression of Interest to Exhibit”](#) form which can be downloaded.
