

Theatre and Gallery Plans

Theatre

The Theatre has excellent acoustics and seats 387. The stage is framed by a proscenium arch and boasts an orchestra pit, full fly facilities and a stage area of 9m x 9m (wings 3m x 8m). A baby Yamaha grand piano is located permanently in the wings.

Town Hall

The Town Hall Theatre seats 808 and has a flat, parquet floor, tiered balcony seating, a stage area 10m x 7m (excluding the apron), and 3.4m x 6.9m wings, where a Steinway concert grand is located.

All backstage facilities (dressing rooms, loading dock and storage areas) are practical and of ample size.

Both the **Arts Theatre and Town Hall** have professional lighting and sound and our experienced theatre manager can assist with technical requirements. Front of house features the latest in box office ticketing equipment and theatre bar facilities.

Art Gallery

The Burnie Regional Art Gallery has three main galleries with 115 running metres of wall space, as well as a small Foyer Space for small displays. Additional hanging space is available through the installation of temporary movable walls. More information is available at [Arts and Functions at the Gallery](#).
