Bringing Broadway to Burnie!

## March 2011 Newsletter

### *Message from the President ....*

It's an exciting time!!

Last week the cast for the coming production of *The Curse of the Werewolf* was announced. Congratulations to those who were successful, and thank you to those who auditioned but who missed out this time. You certainly didn't make it easy for the audition panel. Well done, everyone. Rehearsals commenced this week.

Recently maintenance work was started at the Hall. The gates at the main entrance have been sandblasted and a coat of paint has been applied. Architraves have been fitted around the windows and these have been stained. And now the painters have started on the interior of the Hall; this will certainly make a difference! This work has been made possible with a Tasmanian Community Fund Grant.

And thirdly – we are pleased to say that the book is at the printers; the book will be launched and available for purchase after the **Annual General Meeting on Friday, 15 April**. We hope to see you there.

At the moment we are seriously considering a production for 2012, so if you think you know what BMS will be presenting in 2012 then you know more than the Committee! We'll let you know when we have more definite information.

*Wayne*

Thank you, Peter and Geoff for a great night of good food, good music, and good company at beautiful Cowrie Point.

In a not-too-distant future, when private toilets are outlawed, citizens must pay for the privilege of using the public toilets. Greed, power, romance and revolution are in the air.
